6. You are further notified that Murga, Strange & Chalmers, Inc. intends to enforce the lien to the fullest extent allowed by bankruptcy law and California law. This is authorized by 11 U.S.C. section 362(b)(3) and 546(b) because actions to foreclose a mechanics lien in California must be brought within 90 after recording the lien, but such an action is stayed because of the filing of the bankruptcy petition. This pleading does not constitute an admission as to the necessity of any such seizure or commencement.
